

Mexico

Mexico is a traveller's paradise, crammed with a multitude of opposing identities: desert landscapes, snow-capped volcanoes, ancient ruins, teeming cities, time-warped colonial towns, glitzy resorts, deserted beaches and world-beating collection of flora and fauna.

Caribbean Mexico boasts some spectacular historical heritage. Mayan sites such as Chichen Itza are dotted across this picturesque area, timeless reminders of a remarkable civilisation along with elegant colonial cities such as Merida and natural parks offering unforgettable experiences from swimming with dolphins to game fishing.

Cancun satisfies sun-worshippers, shopaholics and party animals alike. Stay in the city or one of the quieter surrounding resorts and use it as a base for exploration and activity.

Playa del Carmen is smaller, more relaxed and more picturesque than Cancun. A strip of hotels, beach bars, seafood restaurants and local shops, look out over soft white sandy beaches and the colours of the Caribbean Sea.
